

Motel Help!

Be advised that our Host Hotel, the Shilo Inn is FULL ! If you don't have a preference as to where you would like to stay, the Shilo will direct you to their overflow hotels. This is the best way for you to get good rates. Example: they have the Comfort Suites as one of their overflow facilities at the same rate - \$85.00. Now then if you happen to get a hold of a counter clerk that doesn't know about overflow directions, as for the Sales Dept, Donna Fishback and she will handle it for you.

Google Killeen Hotels to obtain all hotel listings in the area. Just about any hotel chain is available and all are in close proximity (within a couple of miles at most) of the Civic Center.
