

TEXAS DISTRICT COUPLE OF THE YEAR 2005 - 2006

Everett Hunt & Fay Eger

Everett and Fay participate with Chapter Z in Pasadena TX.

We live in Santa Fe Texas, a small town close to Galveston. Everett owns a automotive repair shop and builds motorcycle trike conversions. Fay is a bookkeeper and works for a medical imaging facility.

We met in January 2003 while taking country western dance lessons. In Feb 2003 we started dating. Besides dancing we both love to play golf and scuba dive when the opportunity arises. Everett teaches Medic first Aid, CPR and AED.

Everett had been riding motorcycles since he was a teenager, and Fay had only been on them starting in her twenties (only a couple of years ago). Fay's first impression of co-riding on a Goldwing was one of pure joy and excitement!. She loved it so much she decided to take the basic riding course. Fay started out on a Honda 600 Shadow and progressed to a Honda VTX 1300. In December 2006 Fay bought a 2003 Goldwing and had it triked by Everett. Everett currently rides a 2008 Goldwing white trike, but that could change at anytime.

Everett and Fay will cherish all of their memories of being the Texas District Couple 2005-2006. WE HAD SO MUCH FUN
