

TEXAS DISTRICT COUPLE OF THE YEAR 2007

Ronald Gene & Carolyn Tice

We live in the Houston / Galveston area. Basically to the south of Houston Texas. We live in a small town and we enjoy the slow paced atmosphere. We participate with Chapter Z

Gene began riding when he was 13 year old. He had all kinds of bikes. He enjoys riding and the longer the trip the better.

Carolyn has been a co-rider on bikes since she was a teenager. With two brothers, she constantly was on the lookout for an opportunity to ride with

one of them. Motorcycles and GWRRA are a big part of both our lives.

A few years back, we bought a 2002 wing. Up until that time, we had cruisers. Eleven thousand miles later, we decided to trike the bike. A couple of years ago Carolyn began to realize the "Riding" thing looked like a whole lot more fun than the co-riding. She took the BRC course and passed it and soon a Honda VTX 1800 trike was made room for in our garage. Now days Gene rides a 2005 black cherry Goldwing with a CRC conversion and Carolyn rides a 2002 illusion red Wing with a CRC conversion.

We are both retired and Master Tour Riders and very involved with GWRRA activities. Rider education is very important to us. Our motto "ride often and ride safe". There is no margin for error on a motorcycle so we both feel we must, at all times, practice safe riding and provide and example for all others we ride with.
