

# TEXAS DISTRICT COUPLE OF THE YEAR 2011-2012

*Carleen & Dale Garrett*

We want to start out with a big THANK YOU. We enjoyed being our home chapter (Chapter T) couple of the year, we had so much fun. We could not imagine finding anything better. But we did, this last year as your Texas Couple of the Year has been unbelievable. We have traveled to several chapter functions from your monthly gatherings to your local rallies. We have enjoyed this opportunity beyond words. You, the Texas GWRRA members have lived up to your reputation. You have made us feel welcomed and at home

wherever we have traveled. When we came off the stage in Killeen last year we were told that we were now on District Staff, so get to work. It was not that simple, we needed a job, our District Director, Fred, instantly gave us one. He told us our job was to have FUN. What a job description. So we did just that. And what fun we have had with yall this year.

There are so many people we need to thank for this wonderful year, it would be impossible to list them. To start, thank you Fred & Mandy for all you do and have done, your directions set us off on the right foot. A special thanks goes to the Jim and Alvalin for traveling with us across this great state, region and to Wing Ding and back. Texas GWRRA members one and all, Thank You for making us feel at home and welcomed wherever we have traveled. And thank you to all the other districts that we have visited, you also made us feel like family. You have made this year very special to us both. That is what GWRRA family does, make you feel special.
