

TEXAS DISTRICT COUPLE OF THE YEAR 2012-2013

Mike & Robin Thacker

We began our Couple of the Year journey after being selected as the Couple of the Year for Chapter N2 in 2011. We were honored to serve as the Ambassadors of our chapter and we had so much fun.

We were selected to be the Texas District Couple of the year in New Braunfels in 2012. It was an honor to represent the Texas District Couple of the Year. We accepted the position with the goal of making Texas proud. We began by helping the District Staff plan the 2013 Texas District Convention. Once the location and theme were decided, we began making visits to the different

chapters to spread the word of the upcoming party.

During our year as District couple we were able to visit most of the Region H conventions. and several surrounding chapters. We have made many new friends and have had so much fun. What could be better?
