

## Gold Wing Road Riders Texas District Competition Guidelines

### ***Chapter Participation Award Guide***

1. This is a new competition and award, designed for all Texas GWRRA Chapters to participate in at the Texas District Convention and potentially win!! This award was created and designed to stimulate Chapters towards participating in Rally events and contests, and encourage all participants to try some new things and have even more “Fun” at our Texas District Rally.
2. The event score sheet (See attached score sheet) is designed to allow both large and small Chapters an opportunity to compete on an equal level. **There will be sign in sheets for each event/activity. These sheets will be used to count the number of Chapter participants for each event/activity** (Be sure your Chapter Participants sign in). Every chapter should have an opportunity to WIN!!
3. The total scores will be tallied after completion of all events at the District Rally. The winner will be announced at the Closing Ceremonies. The District Director and staff will then present the trophy to the winning Chapter and their participants at an upcoming Chapter Gathering. The winning Chapter will keep this award in their possession until the next year’s TX District Rally, at which time they must return it to the District Director for presentation to the next Chapter winner. There may be repeat winners.
4. **Score sheet will be published and provided when all events have been finalized!!**

**Let’s Have some Fun with this Texas!!!**
