You can book all hotels using the code GWRRA Texas District (Holiday Inn Express - GMG) with the exception of the Coach Light Inn. There are no booked rooms at that hotel however he will give us a discount room.

Before making reservations by phone at the hotels other than the host hotel, check online to see if you can get a better rate online if you have AAA, Senior, Military or other discount. I found a lower rate for one hotel online.

All hotel blocks will expire as of April 16, 2018 if not booked. They will not guarantee you will get the above listed rate if you book after that date.
